Information

100% semi-combed ringspun cotton

Oeko-Tex Standard 100

Made from high-quality cotton for durability and long-lasting use.

Free from harmful substances, ensuring a safer product for both consumers and the environment.

Produced under ethical labor conditions in compliance with responsible manufacturing standards.

Each unit is packaged in a 100% recycled polybag, contributing to reduced plastic waste.

Recommended to reuse, donate, or recycle to extend product lifecycle.

Dispose of responsibly through local textile recycling programs.
