

Green passport

Earbuds

Product Description

Premium true wireless earbuds made from RCS-certified recycled plastic. Designed for high-quality audio, comfort, and sustainability. Includes a compact charging case for up to several hours of playtime. Ideal for daily use: commuting, studying, or relaxing.

Material

Earbuds and case: RCS-certified recycled plastic
Packaging: FSC-certified cardboard

Environmental Impact

These earbuds are made with RCS-certified recycled plastic, reducing the need for virgin materials and lowering the carbon footprint. The RCS (Recycled Claim Standard) ensures full traceability of recycled content throughout the supply chain.

Packaging

Eco-friendly packaging made from FSC-certified cardboard. Compact design to reduce material use and shipping volume.

Transport

Shipped in optimized batches to reduce CO₂ emissions per unit. Whenever possible, transported by sea freight instead of air.

End of Life

This product contains electronics and should be disposed of as e-waste at a certified collection point. Packaging is recyclable via standard paper waste channels.

Why it's green

Made from RCS-certified recycled plastic
Eco-conscious, FSC-certified packaging Lower CO₂ footprint through material and logistics choices
Built to last and encourage long-term use
